

ARCANUM DRIBBLE CLUB

The Arcanum Dribble Club (ADC) is a club sponsored by the Arcanum Boys Basketball Program that is designed for boys going into grades 1-6. The sole purpose of the club is to improve dribbling skills including: weak hand, footwork, hand speed, and change of direction. ADC members will meet six times in the summer and six times in the winter to work on their dribbling skills. Club members will work on basic, intermediate, and expert ball handling drills, matched to their particular skill level.

Members of the ADC are expected to work on their own between the two six-week sessions, and to continue to improve their skill set throughout the year. Members do not need to attend all sessions but are encouraged to be at as many as possible.
